

# Subject Report

**Teacher:** Julie Aspin

**Subject:** History

**Date:** 2.6.25

This year in History we have had two historical events the whole school celebrated and commemorated. In November we remembered all the soldiers who have died in Wars across the years. Each class made a poppy wreath to display on their class door and they looked at why we remember these people and animals each year on the 11<sup>th</sup> hour of the 11<sup>th</sup> day of the 11<sup>th</sup> Month. Those children that were able stood on the school corridor for two minute's silence.

On the 8<sup>th</sup> May 2025 we commemorated 80 years since the first Victory in Europe Day. Each class made their own union jack bunting, flags and party hats and class/group tea parties were held on the day. Each class had looked at how people celebrated on 8<sup>th</sup> May 1945 and why this was such an important and historical day.

Over the school year each class has looked at different periods on our historical timeline such as Tudors, Egyptians and special moments and people across History such as toys across the years and James Cook.

Moving forward the subject leader will be looking at resources that will further develop the learning of the children within our school.
